Welcome to TANSY MOLEQULE

TANSY MOLEQULE is a pharmaceutical company, incorporated in the year 2010 and is engaged in supplying as well as marketing a comprehensive range of Tablets, Capsules, Syrups, Injection, Soft Gelatin Capsules and other pharmaceutical products. We are well-supported by a team of experienced medical professionals who assist us to supply unmatched range of offered medicines with the assistance of our well developed research and development unit. We conduct an extensive research in order to develop flawless range of medicines. We follow a strict manufacturing process and stringently inspect our entire range on various quality parameters. In order to ensure the safe delivery of our products, we are also providing safe packaging of our offered products. Owing to our ethical business policies, transparent dealing, timely delivery of consignment and attractive packing, our clients have full faith on us.
