Welcome to Tatva Chintan Pharma

Since its inception in 1996, Tatva Chintan has successfully established an integrated model comprising of world-class manufacturing infrastructure, multiple complex chemical processes, warehousing facilities, and technically sound R&D capabilities. We take pride in our highly efficient operations, superior quality products, cutting edge innovation and technology exploration, and our long-term focus on sustainability. Our promoters Mr. Chintan Shah, Mr. Ajay Patel and Mr. Shekhar Somani started their entrepreneurial journey in 1996 after completing their graduation from the Maharaja Sayajirao University of Baroda. With extensive industrial experience, they have established strong business relationships with domestic as well as overseas stakeholders.
