Welcome to Tooba Pharmaceuticals Private Limited

Tooba Pharmaceuticals Private Limited (TPPL) is a GMP Certified manufacturer of API Bulk Drugs and Intermediates, with state-of-the-art manufacturing facility. TPPL retains its strong roots in R&D to explore and develop generics using newer technologies in an environment friendly manner. TPPL, headquartered in Aurangabad, Maharashtra is a major urban center and an industrial hub, home to several pharmaceutical industries. Well connected with major metropolitan areas within the state and beyond, there's a ready access to markets and raw materials.
