WELCOME TO TOXICON (INDIA) HEALTHCARE

Founded in 2022, Toxicon (India) Healthcare has been established with a clear vision – to serve humanity with quality, trust, and innovation in healthcare. As a third-party manufacturing unit, we are dedicated to producing premium Ayurvedic formulations, Food Supplements, and Nutraceutical products that support healthier lives and happier futures.

At Toxicon, we believe that true success lies not only in manufacturing products but also in building a bond of care, reliability, and commitment with our clients and the community. With state-of-the-art facilities and strict quality standards, we specialize in crafting a wide range of healthcare solutions including Tablets, Hard Gelatin & Soft Gelatin Capsules, Softgel Capsules, Syrups, Sachets, Powders, and Oils.

Every product we manufacture is a reflection of our promise – to combine the richness of Ayurveda, the advancement of science, and the trust of quality. Our mission is to empower people with better health choices and to support our partners with dependable services, so together we can create a healthier tomorrow.

Toxicon (India) Healthcare – because your health is our responsibility, and your trust is our strength.

About Us

Established in 2022, TOXICON (INDIA) HEALTHCARE is a rapidly growing third-party manufacturing unit engaged in the production of high-quality Ayurvedic, Food Supplements, and Nutraceuticals. Our state-of-the-art facility is equipped to manufacture a wide range of health and wellness products under stringent quality standards.

Our Mission

To become a leading manufacturing partner in the health supplement and ayurvedic domain by delivering premium-quality products that contribute to better health and well-being.

Our Vision

To innovate and manufacture health solutions that are trusted, safe, and effective, aligning with modern scientific standards and traditional Ayurvedic wisdom.
