Best Quality Third-Party Manufacturing

Troikk Health Care's state-of-the-art, ultra-modern facility spread over 4.5 acres is located in the northern Indian state of Himachal Pradesh. WHO-GMP accredited, this facility offers commercial contract medicine manufacturing for the Indian market. As a leading third-party manufacturer in northern India, we are equipped with the latest manufacturing installations in duty-free zones and are committed to working collaboratively with our clients. We have the capacity for large-scale production of tablets, capsules, oral liquids, ointments, sachets, and nutraceuticals.

We are committed to providing quality-driven medicines and generics at affordable prices to patients worldwide, aiming to reduce healthcare costs. Among the top contract pharma manufacturing companies in India, Troikk Health Care is known for maintaining social responsibility, upholding industry values, and offering full support in the pharmaceutical industry. Although we are based in Sansarpur Terrace, District Kangra, Himachal Pradesh, we have a strong presence in major cities across the nation, believing in extending our motto for a healthy life throughout the country.

We ensure that our products are priced fairly so that people from all backgrounds can afford to

improve their quality of life. Not only do we focus on manufacturing drugs and related products, but we also ensure that packaging is done properly, products are distributed on time, and the export process runs smoothly.
