MISSION :“We dream” “ We Create” “ We Achieve”.

QUALITY COMMITMENT : Quality is a not a departmental obligation. It is significant to everything and everyone in the organization. To ensure Total Quality Management, the Quality Assurance (QA) department in our factory is autonomous in its functioning. In-house quality checks, which are detailed in our Standard Operating Procedures (SOP), have been drawn up in addition to the

recommendations specified in the US, British & Indian Pharmacopoeias for each of our operations commencing from the raw material audit to in-process checks through finished product inspection. Raw materials are accepted for manufacturing only after it is found to be of international grade by our in-house and independent laboratories.

OUR TECHNOLOGY: Being engaged in areas of ALLOPATIC formulations, TUTTSAN has sophisticated manufacturing plant at Ahmedabad, Gujarat, India. Unrelenting in quality and an obsession to better the best has brought TUTTSAN the most prestigious Revised SCHEDULE 'M' and WHO-GMP certificate.
