Welcome To Uniphar Biotech Pvt. Ltd.

Today we have more than 450+ products in UNIPHAR BIOTECH PVT. LTD. The Company has emerged as growing pharmaceutical company of North India .This has been possible with our vision of helping our associates by providing them best quality products .We have always maintained the quality standards of our products. Quality assurance is our motto there has been no compromise on our quality standards right from our inception. Presently we have the support of more than 150+ outlets in Pan India and with their support in such a short span of time we have achieved a target of approximately Rs. 17 Crore this year and have set up a target growth of 50% for the coming financial year.  
OUR VISION :We at Uniphar are focused on creating

business avenues through trading of pharmaceutical products and making available the quality products to our customers that generate sustainable revenues and growth of the company. Our confidence to achieve our goal is inspired by strength of our people and our infrastructure, which is committed to deliver quality products by practicing and adhering to current GMP standards.

**OUR MISSION:** To achieve and sustain our position in pharmaceutical health care company. Our continuous improvement translates into success and benefits for our team, our customers and communities. We always prefer to introduce new and upcoming molecules to make our customer more secure in Doctor's chamber and in the trade. We are committed to provide the quality products at very competitive rates. We are also committed to total customer satisfaction by meeting the exact requirements of the customers in shortest reasonable time .we promise to deliver the products on time for each order.

**QUALITY ASSURANCE** For us Quality is not an Act but a Continuous journey. Today we have more than 250+ products in Uniphar Biotech. We have always focused on improving the health of community by offering safe efficacious and quality products. We have progressed firmly to deliver the products to our customer from such units which are designed as per

WHO-GMP and other international regulatory standards.
