Welcome To United Biotech Private Limited

After two decades of marketing and industry experiences in various sectors of the Healthcare Industry, a revolutionary movement called "UNITED BIOTECH" was born in 1997 out of the United Group of Companies. The company is spearheaded by a group of pharma professionals who have rich marketing experience in various multinational pharma companies and have a strong zeal to excel, firmly committed to bring in only the best products and only those that surpasses our strict internal quality assessments. United Biotech has been a trend setter of new standards and is among the fastest growing companies in the Indian pharmaceutical Industry. In a span of just 16 years it has established an enviable reputation and track record for adopting latest manufacturing technologies, introducing world-class quality products, ground breaking Research & Development efforts in association with its foreign counterparts and for setting new standards of customer service.
