Welcome To United Laboratories

Based in Mohali (Punjab, India), United Laboratories is founded by Mr. Munish Goel in the year 2012. Moreover, the firm is flourishing under the able guidance of the CEO, Mr. Shubham Goel. Our major markets are India, USA, Europe, South Africa, Nigeria, Uganda, Kenya, Bangladesh, Vietnam, Sri Lanka, Philippines, etc. We are committed towards manufacturing Nutraceuticals products that complies with national as well as international quality standards. We produce our medicines in adherence to the Good Manufacturing Practices and other regulatory requirements. We ensure safety, efficacy and customer satisfaction. We give prime importance to the quality of the medicines we offer. We check quality at all stages including procurement of all the

best raw materials, manufacturing technology, functional operations, etc. We are certified with WHO-GMP Com. Co. and ISO 9001:2015 Certified Company.
