Welcome To Valcret Lifesciences Pvt. Ltd.

VALCRET LIFESCIENCES PVT. LTD. Was incorporated in the year 2011 at Chandigarh in India an ISO 9001:2015 certified. We are one of the recognized supplying, exporting, trading, and distributing of the market, engaged in offering a vast range of Capsules, Tablets & Injections. These products are highly demanded and used in various Clinics, Hospitals and Medical Institutions based across the nation for their unmatched quality standards and exceptional features like high reliability, accurate formulation, long shelf life and effectiveness. We have tied-up with various leading manufacturers of the international market, who are trusted for their quality products and ethical business practices. These manufacturers use quality tested materials and advanced production techniques in their manufacturing process. Our vendors enable us to meet the variegated needs and requirements of our clients in an efficient manner. We have selected our vendors after a deep market analysis conducted by our procurement agents. Our capacious warehousing facility helps us maintain sufficient stocks of our offered products. We also ensure that all the products are delivered to the clients within the predetermined time frame. Our assiduous team of talented professionals enables us to execute our business operations in a well organized manner. These professionals work with complete dedication to timely achieve common goals of the company. Our experienced procurement agents aid us to source reliable products from the market. All the products are quality tested under the supervision of our quality controllers prior to the final delivery to the clients, in order to ensure maximum benefits to the clients. For the convenience of our clients, we offer them the facility of easy payment. We export our products in Iran, Iraq and Dubai. We are able to grow by the leaps and bounds, under the astute

guidance and leadership of Mr. G. S. Nayyar, Managing Director. The personal supervision of Mr. Nayyar's over all the business related processes helps us improvise our existing working procedures and present world-class products to the clients. He possesses vast industrial experience of several years, which has helped the company to muster a large satisfied clientèle across the nation.
