Welcome to Vanosia Biotech Private Limited

Vanosia Biotech Private Limited was founded with a vision to emerge as a leading integrated research-based, global pharmaceutical company. We aim to bring differentiated, high-quality and needed healthcare products to as many people as possible, with our global business, scientific and technical know-how and talented people. We apply science and our global resources to bring therapies to people that extend and significantly improve their lives. We strive to set the standard for quality, safety and value in the discovery, development and manufacture of health care products. Every day, our colleagues work across developed and emerging markets to advance wellness, prevention, treatments and cures that challenge the most feared diseases of our time. Consistent with our responsibility as one of the world's premier innovative biopharmaceutical companies, we collaborate with health care providers, governments and local communities to support and expand access to reliable, affordable health care around the world. Vanosia Biotech Private Limited has worked to make a difference for all who rely on us. What started as a small entity has now expanded to a team of hundreds of expert professionals and has also won the trust of people in India. Vanosia Biotech Private Limited is a leading pharmaceuticals marketing company in India, based in city beautiful Ambala. It is an ISO 9001:2008 certified company. Vanosia Biotech Private Limited markets specific formulations comprising of Tablets, Capsules, Syrups, etc. All the products are manufactured in GMP-certified units. The vendors, too, adhere to the WHO standards. Being a highly trusted organisation, Vanosia Biotech Private Limited gives top priority to the aspects of quality. All the finished products are rigorously checked for quality standards and norms.
