Welcome to Venkatasai private limited

Established in the year 2013 we help our clients to increase their R and D productivity in a cost-effective manner. We address a wide spectrum of client needs across the drug discovery and development value chain, which include: Medicinal Chemistry, Custom Synthesis, and Process R&D, Toxicology, Clinical Research, and Analytical Testing. Quality has been the major factor behind Venkatasai private limited success in the wide competitive arena. We also ensure that all the products conform to strict quality standards. Owing to this, we are counted as one of the first and foremost choice of our clients that are spread across the world. Venkatasai private limited ethical business policies have enabled us to maintain a friendly relationship with our esteemed clients. The repetitive orders from the domestic as well as international clients are the testimonial of our qualitative products. Our devotion to the timely delivery of the products has made us the first and foremost choice of our valued clients. Venkatasai private limited is the prominent choice of our clients because of Qualitative products, Easy mode of payment, Wide distribution network, Timely delivery, Competitive prices, Experienced team, Ethical business policies, and State-of-the-art infrastructure.
