Welcome To Vhb Life Sciences Limited

History has a special mention of VHB Group, for over six decades now since its inception in 1946, it has to its credit the introduction of a wide range of highly specialized innovative formulations 15 of which hold the Numero Uno position in India and globally. Currently VHB Group. is rated as the fastest growing pharmaceutical organization. The vision that it has believed in "to Save Lives Through Life Saving Drugs" has earned it tremendous goodwill of being a respected and reputed name in India since 1946.
