## Welcome To Vishal Essential Oils & Chemicals

Vishal Essential Oils & Chemicals was founded in 1994 by Mr. Rishi Kumar Gupta, a talented visionary businessman. The company started as a trading firm with the product range of Essential Oils & Aromatic Chemicals. Somewhere in the year 2000, we entered into the manufacturing of Essential Oils and Mentha Products. Since then we haven't taken aback and are successful in diversifying our product line with state of the art manufacturing facilities.
