Welcome to Vishal Pharmacare

As people's quest for healthier and longer lives all over the world is increasing, the demand for quality yet affordable healthcare is also increasing. To fulfill these demands, there is a noticeable rise in the production and exports of premium quality pharmaceutical products since last many decades. Vishal Pharmacare also aids in fulfilling these demands by exporting prominent pharmaceutical products such as Active Pharmaceutical Ingredients, Herbal Extracts, Pallet Granules, Pharma Excipients, Veterinary APIs, Cosmetic Products and Mineral Additives. It is an ISO 9001:2008 certified, integrated global pharmaceutical company providing sourcing services from India to large trading houses and end users in foreign countries. At Vishal Pharmacare, we attempt at providing the best quality products to our customers to fulfill their requirements and welcome them again as our returning customers. In order to accomplish this we make efforts to identify quality conscious manufacturers who can deliver us valuable products. This quality of products and competitive prices makes us stand out from the rest of the pharmaceutical companies. We foresee to make people's life healthier and happy by providing superior quality products.
