Welcome to VitQ Lifesciences

VitQ Lifesciences is a fast-growing pharmaceutical company that promises to offer innovative and superior healthcare solutions in the Indian market. The company was founded in 2026 by highly experienced pharmaceutical experts who had spent several decades in the retail pharmacy industry. VitQ Lifesciences was created on the promise of bridging the gap between conventional medicine and futuristic wellness. Being an ISO 9001:2015 certified company, VitQ Lifesciences takes great pride in developing and marketing some of the finest quality formulations for their Nutraceuticals, Dermatology and Gastrointestinal products. The company strictly follows the WHO-GMP standards in manufacturing the products that ensure top-notch quality, efficacy and safety of the formulations developed by them. Through its commitment towards maintaining high standards of ethics, innovation and customer satisfaction, VitQ Lifesciences is now planning to diversify its product range and provide pharmaceutical solutions across the Indian subcontinent.
