Welcome to Wellcure Remedies

WELLCURE was established in the year 2002 in AP, India, with an aim to provide easily accessible quality medicines of International standards, in India and across the globe. Wellcure Remedies is one of the most reliable and trusted companies that offer high-quality products at an affordable price point in the Pharma market. With 20 years of hands-on experience in the Pharma industry, we are happy to assert that we manufacture more than 1500 products which include a wide range of anti-allergic, diabetic drugs, urological medicinal products, drugs for the treatment of the central nervous system, & cardiovascular drugs in the forms of tablets, capsules, and oral liquids, suspensions, etc for our clients. Being a quality-conscious organization, we use premium quality raw materials in the manufacturing of each and every product. Along with our team of highly qualified chemists and pharmacists, we pledge to serve our customers with a pragmatic approach to products and that too within a stipulated time frame. Our company offers a wide array of products without compromising on quality and ethical standards.
