Welcome to YAXON BIOCARE PVT. LTD.

We, YAXON BIOCARE PVT. LTD., laid our foundation stone in the year 2010. Since then, we are reckoned as one of the leading manufacturers, exporters and suppliers of Herbal Ayurvedic Medicine, Allopathic Medicines, Nutraceuticals Medicines, Cosmetic Products, Veterinary products, Herbal Extracts which we offer in tablets, Herbal capsules and softgel capsules. Being FSSAI marked, GMP certified and ISO 9001:2008 certified organization, our utmost priority lies in providing highest quality and effective medicines to our customers. Some of our major clients who purchase these medicines in bulk quantities are from the leading hospitals, chemists shops, clinics etc. Adhering to stringent quality norms we utilize only certified drugs, chemicals, herbs and medicines in the production process which we acquire from authentic chain of vendors. We follow strict quality measures so that our offered medicines matches the international laid guidelines. We follow ethical business practices and keep complete transparency in all business transactions so no loopholes are left behind. Benefits of Ayurvedic & Allopathic Medicines Ayurvedic Medicine is one of the oldest and traditional form of medicines to cure diseases which originated in India during the ancient times. It is made from natural herbs, flowers and plants and do not have any side effects. Ayurvedic medicines, Herbal ayurvedic medicine till date are considered to be the best and most effective form of medicines. Whereas, allopathic medicines were founded in the western countries. These are used world wide to cure even extreme health diseases. By offering these various forms of medicines and health supplements we want to make the world a healthier place to live. Quality Confirmation As an ISO 9001:2008 and GMP certified firm, the first thing on which we emphasize is quality. For maintaining highest standards, we

have appointed an experienced and knowledgeable team of quality experts who regularly inspect the products. Our main priority out of all is to deliver only safe and top quality products because we are dealing in life saving drugs. Every single ingredient used in the formulation of medicines are sourced only from the government certified vendors. In order to meet the set national and international quality standards we conduct rigorous test on our offered Medicines, Ayurvedic Medicines, Allopathic Medicines and Nutraceutical. Our Infrastructural Facility Our well laid infrastructure at our premises is the backbone of our enterprise.
