Welcome to Ygiis Pharma

We at Ygiis Pharma have goals and ambitions of becoming the most customer-friendly firm in the Indian healthcare sector. Under the visionary mentorship of Mr. Pranav Patel, we are contributing in the respective field by bringing latest quality standards of medicines. Being a progress-oriented trader, we are rapidly expanding our reach in the local and national areas. Our company is supplying an extensive range of highly effective, safe to use and value for money items such as Ondansetron Oral Solution IPs, Itraconazole Capsules, Anti Cancer, Antiviral Drug, Antibiotic, Antimalarial Drugs, Clotrimazole Cream IPs, Acarbose Tablets IPs, Dusting Powders, ORS and more to various clinics, resellers, hospitals and other individuals. For meeting any urgent demand of customers, we are always ready with a large stock of quality-approved products that are properly packed for instant shipments. In a short time span, we have started earning the valuable trust and confidence of customers. They are trusting us for our customer-centric ways of work. All we seek for is the fulfillment and satisfaction of our every single client.
