Welcome To Zee Laboratories Limited

Established in the year 1994, at Karnal, Haryana (India), we, Zee Laboratories an WHO-GMP, CGMP and ISO 9001:2000 certified organization are engaged in manufacturing, exporting and supplying a diverse array of Pharmaceutical Medicines. Formulated in compliance with set industry norms, our range is primarily used for the treatment of different diseases, ailments or deficiencies. These medicines are acclaimed for high efficacy, accurate composition, precise pH value and purity. In a sprawling area of 6000 square meter at Karnal city in Haryana state, we started our first manufacturing unit that is 150 km away from Delhi International Airport. The second unit was incepted in the year 2005 at tax free industrial zone of Himachal Pradesh at Paonta Sahib in a sprawling area of 7500 square meter. Besides, our third and fourth units were established in the 2009 at Himachal Pradesh at Paonta Sahib. These units are situated in areas of 10,000 square meters and 5,000 square meters. Based on USFDA & European GMP Standards technology, our units are instrumental in producing pharmaceutical medicines on large scale and formulating an effective range of cosmetics and nutraceuticals preparations. Further, we have also set-up a separate manufacturing facility for Oncology Drugs (Anti-Cancer drugs). We are also actively engaged in several institutions and Govt. business of our country and abroad. Through our stringent quality control objective, we have attained 100 % customer satisfaction. With the support of our talented professionals, we have achieved immense success in the domain. Under the visionary guidance of our mentor and CMD, Mr. Rajiv Mukul, we have established a respectable position in the international market. His industry experience and professional approach has enabled us in garnering a loyal clientele across the globe.
