Welcome To Zidwell Healthcare

Settled in the year 2011, we “Zidwell Healthcare (Div. Of Rezicure Pharmaceutical)”, are set in motion ourselves as the influential manufacturer and exporter of high-quality Pharmaceutical Products. Our Offered products are Pharmaceutical Tablets, Pharmaceutical Syrup, and Pharmaceutical Injections. The offered assortment is highly appreciated by a huge number of customers. Our experienced professionals follow the new technology-based methods for composing the offered products, the entire procedure is controlled in a secure manner. With the help of our infrastructural unit, we are highly instrumental in composing the offered assortment in an efficient way. Our production unit is equipped with all new technology based

machines and equipment. To ensure hassle-free execution of our operations, we have partitioned our infrastructure set up into various departments such as production facility, packaging department, and quality testing unit. Apart from this, we are offering these products in various countries.
