## Welcome To Zoster Health Care

Zoster Health Care is a recognized Pharma company in India, we manufacture, export, and supply a varied and qualitative range of Allopathic/Ayurvedic Medicines. Moreover, our range comprises Tablets, Capsules, Syrups, Injections, and many others for Pharmaceutical companies. To formulate our range, we use high-quality ingredients. Moreover, under the table and intelligent guiding principles of our promoters, being a customer-oriented organization we have attained a secure position in the industry operating multiple divisions as the biggest Pharmaceutical Company in Chandigarh. We are a visionary entrepreneur who is committed to gaining the trust and confidence of our widespread client base. Our company has qualified professionals who carefully examine the quality of these medicines in our quality testing unit to make sure that these medicines are pure and safe. Due to their rich experience in this domain, our experts are capable of formulating highly effective allopathic medicines. Their professionalism and sincere approach make it possible for us to provide cost-effective and most reliable products according to the requirements of our valued clients. Apart from this, we use ultramodern and state-of-the-art infrastructure in which, we have installed the latest and advanced machines to formulate our range as per the industrial standards. Our entire infrastructure is well isolated in various departments such as production department, quality testing department, administrative department and many more, in order to carry our business procedure in a systematic and smooth manner. With a worthy experience, we provide a wide range of pharmaceutical bulk

drugs. We have an expert team of quality controllers, which is responsible for factually monitoring complete on-going business at each and every stage right from the sourcing of products to the final dispatch at the client's end.
