Welcome To Zytras Life Sciences

Zytras incepted in 2006 under the flagship of young & enthusiastic business entrepreneurs Rajiv Arora (CMD) is maintaining its benign presence in market. ZYTRAS successfully develop and market innovative products that improve, enhance and extend human life; and we pride ourselves on delivering total quality products at an affordable price .A leader in several therapeutic products, ZYTRAS is amongst top pharmaceuticals companies in India today. While we focus on world-class research, our sense of satisfaction lies in the fact that we take a step to improve health in the country today. Scientific Advancements have made life the way it is today. While several life threatening infections have been vanquished, many lifestyle diseases have taken their place

demanding innovations & breakthrough from healthcare professionals. It still remains a challenge not just to provide for absence of disease, but to nurture a state of health that is conducive to physical, mental and social wellbeing. Health Care across the world is shifting its focus to these goals, and India pharmaceutical companies are not far behind.
